The JCC invites all those yachts/competitors visiting the Crouch for the CYC Houghton Cup on Saturday 23rd August to join in the remainder of the Bank Holiday Burnham Week racing with a free entry as part of the established Burnham Week 'Friend for Free' promotion.

Interested?

Contact Wendy Eagling to find out how to make your entry and if so why not consider spending the rest of the bank holiday competing on the demanding Crouch Estuary waters for the prestigious Royal Thames Trophies. On Sunday and Monday classes 1, 2 and 3 will race over the same course and there will be a combined overall result, so it will be a great weekend regatta with some historic trophies to win. If you will be taking part, why not consider entering more of Burnham Week?

The Town Cup, Burnham's most prestigious race, then takes place on Saturday 30th July 2008. The entry fee for the Town Cup is £25 before 31st July and £30 after that date.
